

**NEW ZEALAND  
ALPINE GARDEN SOCIETY  
(Incorporated)**

**2023 Seed List**

We would like to thank all those who have helped maintain the Seed List as one of the major factors contributing to the enjoyment and stimulation for members of NZAGS.

Restrictions make it even more important that seed is shared, and plants conserved. The seed list comes together from donations made by members who have taken the time to collect and clean seed for the list. There is also a substantial investment in time by the volunteers who packet the seeds and help with the distribution of seed to the members.

If we have omitted your name as a donor, please accept our apologies. We appreciate all donations of seed and are indebted to those members who go to considerable effort to collect seed in the wild.

## APPLYING FOR SEED

All applications must be on the form

1. Grids must be filled in correctly.
2. Illegible and incorrectly completed forms will be dealt with at the end of the distribution.

### QUOTAS

Members receive 30 packets.

Seed donors who donate 7 or more packets of seed will get an extra 10 packets.

Please ensure you include sufficient choices to enable your quota to be met. Because some seeds are in short supply, please ensure that as many choices as possible are listed. Early response is recommended.

**LUCKY DIP** is a random selection from the seed that remains after the first distribution. It can include excellent seed which arrives too late to be listed. Tick the application form if required.

**Only members who have current up-to-date subscriptions will receive seed.** Members whose current subscriptions are unpaid will not receive seed.

**OVERSEAS SEED ORDERS** are sent post-free airmail but a donation to New Zealand Alpine Society (NZAGS) via PayPal or via NZAGS's website [www.nzags.com](http://www.nzags.com) would be welcome.

**We are unable to supply phytosanitary certificates due to the cost. Overseas members should ensure any necessary documents for importation are provided to us to include with orders.**

**NZ ORDERS ONLY** Order to be accompanied by self-addressed NZ Post bag/envelope with the postage included. Please include the cost of rural delivery surcharge if necessary. **Also please enclose an extra self-addressed, postage-paid Post bag/envelope if you are ordering Lucky Dip seed.**

Please ensure you order from the current year's list.

Every effort is made to ensure correct listings; however, seed comes from many sources, and we rely on the accuracy of the information that comes with the seed we receive. Please notify us if seed grown has been incorrectly named or if plant names, as listed, are incorrect.

**All orders to be returned before 30 June 2023 to:**

**NZAGS Seed Distribution  
P O Box 2984  
CHRISTCHURCH 8140  
NEW ZEALAND**
